Part B

1. Activities reflecting the goals & objectives of the institution : Please refer to Appendix 1 (striking features of the college)

2. New Academic programmes initiated : No

3. Innovation in curricular design and transaction : Our curriculum design and delivery is based on specific objectives in the three domains, co-operative learning, learning styles, home assignment, group discussion and continuous evaluation including immediate evaluation which is a definite departure from lecturing style of delivery.
4. Inter-disciplinary programmes started

5. Examination reforms implemented

6. Candidates qualified NET etc.

7. Initiative towards Faculty development programme

8. Total number of seminars/workshops conducted

9. Research Projects

10. Patents generated if any

11. New collaborative Research Programme

12. Research grants

13. Details of Research Scholars

14. Citation index of faculty members on impact factor

15. Honors/Awards to the faculty

16. Internal resource generated

17. Details of departments getting assistance

---

The nature of the "discipline of education" is in itself inter-disciplinary.

It has been implemented at the internal examination and assessment but not at the university level, we are following continuous examination, evaluation and feedback system. Weightage is given on home assignment and project works.

NIL

The teachers are deputed as participants and as resources persons to external seminars and workshops and also act as participants and resource persons in internal seminars and workshops.
