Dear .................

M.Ed. Workshop II will be held from October 4th-10th & 13th-15th, 2016 at St. Xavier's College of Education, Digha Ghat, Patna - 800 011.

Since this M.Ed. programme is a research-oriented one involving writing a dissertation, it requires certain skills to enable you to scientifically carry out the research on a topic of your choice and writing a report.

To carry out such projects you will have to have some practical experience in the development and use of certain tools of research, their administration, scoring and interpretation of the results.

By now your must have identified your topic of research. Therefore the main thrust of the Workshop- II is to provide practical experience on different phases of the research process.

Hence:
- you will frame the specific objective of your research.
- state the hypothesis corresponding to the objective defined by you.
- draw the delimitations of the study in term of the sample chosen, concepts involved and tools of research to be used.
- prepare an appropriate research design.
- write a full-fledged research proposal.
- make a presentation of the proposal before you peers, faculty.

Attendance in the workshop is compulsory.

Please go through thoroughly the chapter of MES-054 (Methodology of Education Research) before coming to the Workshop.

Hoping to meet you.
