Minutes of the Executive Committee Meeting of SXCEAAPAT
held on 15th March 2024, Friday at 4:00 pm
Venu: College Conference Hall.

The meeting began with a short prayer by Dr. Deep Kumar.

The main agendas of the meetings were:

1. The meeting began with the evaluation of the Fr. Jacob Memorial English Elocution, 2024 held on 09th August, 2024.
2. Mr. Eric further suggested that rather than starting the tutorial or remedial classes, we could organize and sponsor seminars or awareness programmes in different schools by calling eminent resource persons from that field.
3. The idea of current students or alumni contributing money for different programmes was put forward by Mr. Deep Kumar. It was agreed by the committee that any kind of help from the students will be appreciated.
4. Discussion about action against members not attending the meetings was put in the meeting. But nothing concrete was decided. It was decided that a call would be made to Mr. Vickrant and Mr. Raushan by Mr. Deep Kumar to know whether they would like to continue to be member of the Executive committee.
5. Drawing competition to be organized in different schools as per their convenience. Dr. Deep Kumar said that most schools request them to give a flexible date for organizing the competition. The committee agreed to the request of the schools and decided that there will be no single date for organizing the painting competition.
6. Dr Deep Kumar proposed to change the name of the Drawing Competition to Fr. P.T. Augustine Memorial Drawing Competition the first principal of the college. Members agreed and the Drawing Competition will be now known as Fr. P.T. Augustine Memorial Drawing Competition.
7. It was decided to Awareness programme to be organized in Dhaneshwari School. Since there we could not agree to any common date, it was decided that we would postpone this programme as of now.
